

Fork Mounted Sweeper

Fork Mounted Sweepers - This attachment really makes industrial sweeping work much easier to finish. The handy lift truck mounted broom is designed for use with either wet or dry material clean ups. It can squeegee water and push snow without problems. This particular attachment is normally utilized to be able to clean garbage from docks, parking lots, warehouses, construction sites and practically anywhere it is required. The lift truck sweeper is a low maintenance attachment that uses quick-tite products to easily mount to the forklift.
